### Description (revised)

*Item Specifics - Home Speakers*Speaker Type: **Floor Standing**

Wireless: --

Brand: **Polk**Condition: **Used**Cabinet Color: **Wood - Dark**

Up for auction is this great pair of Polk Audio SDA 1 Floor Standing Speakers with interlocking cable. Each tower speaker has 2 tweeters, 4 - 6" mid range speakers and 10" passive radiator. I am the original owner of these high end speakers and they have not been hooked up in years except to test them. Even when I did have them hooked up they were rarely used. They sound brand new and just as great as the day I bought them. The cabinets have some wear on them which is common for speakers of this age, mostly the back edges nothing major. One cabinet does have a couple quarter size circular shallow imprints on the top which is barely noticeable. Also the Polk Audio tag is missing off one of the front grills. Other than that, these speakers are in great shape and sound as awesome as the day I bought them. Please feel free to contact me should you have any questions. Because of the heavy weight of these speakers shipping is not offered - local pickup only.
