INFORMATION SECTION BELOW*****

You are bidding on one pair of Polk Audio bookshelf speakers. They are 2-way speakers that sound great like all Polk Audio products. The surrounds and cones are in GREAT condition. Cosmetically, there are some light scratches on the imitation wood grain with a nick in two of the front corners (pictured). The grills are good except for a couple small holes. They measure 7" x 8.75" x 14.25". Can handle 100 watts and are great for their size!
