Hi Everyone,

Ok, here goes. I am selling another pair of some of my favorite vintage speakers.

These are the somewhat famous Vintage Polk Audio Monitor 10 speakers. They consist of two 6" bass drivers, a 10" passive radiator and silk dome tweeters. I have had a lot of vintage speakers, but can tell you these are one of the best. The bass is very tight and goes very low. The highs and mids are silky smooth and airy. The drivers are all in excellent shape and work perfectly. The surrounds are rubber, so they will never rot. The Cabinets are constructed of 1" thick MDF. They are a modern light oak color in wonderful shape with only a minor nick here or there. Mr. Polk certainly knows what's important when it comes to building cabinets.....dense, heavy, non-resonant enclosures. Now, Just about any speaker can do home theater, but these really shine when it comes to reproducing music. The sound is effortless and non-fatiguing. I just can't say enough good things about them. I have had Large Advents which are also very good, but I like these better. The highs out of the Polk silk tweeters just cannot be beat. The bass out of both is comparable, but I give the edge to the Polk's.....It is rock solid. Try searching on the web for Polk Audio monitor 10's. See what owners have to say about them. You will read rave reviews. I have personally talked to other owners who have done direct comparisons to speakers costing thousands and they said they wouldn't trade. I am not really sure why I am selling them. Change for change sake I guess. In the long run, I may be sorry. Since this model isn't quite as well known as the Large Advent, the price they usually go for is a unbeatable bargain. If you buy them, hear them, you too will know just how great they are. I am sure the lucky bidder will be very happy. The dimensions of these speakers are: 28" H x 16" W x 11.5"D. They will weigh about 49 pounds packed. Buyer to add \$10 to help pay for packing material.

An estimate of shipping 49lbs via Fedex for each speaker is:

- West Coast: (90210) \$28.98
- Central: (63119) \$15.84
- East Coast: (02128) \$23.59

Note: The dark/light marks on the grill are from me wiping off some dust with a damp rag.

Thank you for looking. Feel free to email me with any questions. I accept Paypal, Money orders, bank checks or [www.AuctionPayments.com](http://www.AuctionPayments.com).
