Seller information[Safe Buying Tips](#)**Description***Item Specifics - Home Speakers*Speaker Type: **Floor Standing**

Wireless: --

Brand: **Polk**Condition: **Used**Cabinet Color: **Black**

These are original **Polk Audio Monitor 7** speakers (not 7a, 7b, etc.). They are fully functional and sound great. 1" tweeter, 6.5" woofer, 10" passive radiator. Original owner.

The grilles are in perfect condition and the black speaker cabinets are in near perfect condition. There is a small ding on one bottom corner and a small scruff mark on the right side of one cabinet - pictures are included and both are minor imperfections. The speaker cones are also perfect except one woofer has a slight white stain on it (which does not affect the sound). I will also be including the stands as shown. Also have the original boxes. Feel free to email me for additional pictures.

I am selling these as I just purchased B&W 602.5 speakers to match my center channel speaker. These speakers were set to "small" in my current HT system driven by a very clean HK 5-channel 80WPC power amp.

This is a **NO RESERVE AUCTION** with a low starting bid of \$25.00 Continental US bidders only. PayPal, Money Orders, Cashiers Check. Shipping is a flat fee of \$50 and includes insurance (shipping weight is 65 lbs).
