Description

[Polk Audio Monitor 10 Stereo Speakers](#)

I'm listing several pairs of vintage speakers this week. They all sound great with all of the speakers working perfect. Some of the cabinets have dings & scratches. This auction is for a pair of Polk Audio Monitor 10 floor speakers. Serial numbers 170394 & 170396. They sound super clean with all the bass & treble you could ask for. Each cabinet consists of two 6.5 drivers, one 10" bass radiator & one silver coil dome tweeter. The grille cloths need to be cleaned. The cabinets are finished in real oak veneer. They show some wear with light scratches but look nice with polish. They measure 28" high x 16" wide x 11 1/2" deep (with grilles). They weigh 42

pounds each unpacked. They will weigh a little over 50 pounds each packed well. Shipping the pair to New York is 77.00 which is the highest it gets. Shipping them to CA is 40.00.
