This auction is for a **Pair of Polk Audio Monitor 10 Speakers.**

Polk Monitor 10 speakers are considered some of the finest speakers ever made. This pair features silver coil dome tweeters and light cabinets. These speakers sold new for \$370 each.

These particular Monitor 10s are in perfect working order. All drivers are functioning, and there is no damage to any of them. Driver complement consists of two 6-1/2" bass drivers, a 10" passive radiator, and a 1" dome tweeter. Bass response is truly remarkable. Overall frequency response is 25 - 25,000 Hz. Recommended amplifier power is 20- 250 watts per channel.

Cabinets are in very good condition. There are very few, if any, scratches and all corners are intact. 1 grill is in perfect condition – the other grill has a wax stain from a candle that fell on it. It's not really noticeable

unless you're shining a light directly at it (like the flash from the camera). The logos are intact and there are no snags on the fabric.

All in all, a wonderful pair of quality speakers from one of America's leading speaker manufacturers. You'll love them.

I will take great care in packaging these speakers.

TERMS

Winning bidder agrees to pay \$20.00 towards the cost of packing materials and shipping carton. Your item will be shipped within 3 business days after I receive payment.

I will contact the winning bidder within 24 hours of the close of bidding on the item and provide the total due (including shipping cost). Winning bidder is expected to contact me via email within 3 days of close of bidding on the item. This is to ensure that we are both able to communicate with each other throughout the transaction.
