Description

*Item Specifics - Home Speakers*Speaker Type: **Bookshelf**Wireless: **--**Brand: **Polk**Condition: **Used**Cabinet Color: **Wood - Dark**

I recently bought the inventory of a stereo store that went out of business years ago and everything has been in storage since. You won't believe the great sound that comes out of these modest sized boxes. They are truly a bookshelf speaker that can fill the room with sound. The 8" Passive woofer provides ample bass at low volumes too. All of the drivers work great and the only missing item for these speakers is that I could not find the grills anywhere in the inventory. You will not be disappointed once you fire them up! Don't be outbid at the last minute by \$1.00 or miss the auction closing time because you forgot! Use the "Buy It Now " option and own it today for a fair price! I prefer Paypal but accept bidpay, Western Union and a Money Order. Buyer pays actual shipping and \$7.50 for the box and packing materials. Also I travel a lot in my job and I do not always have e-mail available, so from time to time I may take a few days to respond to your questions or to ship your item. I tend to over-pack so I will guarantee that my packing will meet the requirements of the carrier so that insurance will cover the damage should there be a claim.
