Description

Item Specifics - Home Speakers

 Speaker Type: **Floor Standing**
 Brand: **Polk**
 Cabinet Color: **Black**

 Wireless: --
 Condition: **Used**

The RTA 11T is one of the finest conventional speakers that Polk Audio manufactured in the late 1980's. Its extremely high power handling ability (250 watts) and high efficiency (94db) provide remarkable dynamic range from both large and small amplifiers.

The RTA 11T utilizes the same technologically advanced fluid-coupled passive subwoofer design found in Polk's flagship models of that period. Dual 8" passive sub-bass radiators are coupled to two 6 1/2" mid/bass drivers, resulting in a fast powerful, deep and ultra accurate bass response.

Driver complements: One 1 inch Polk SL2000 silver coil dome tweeter; Two 6 1/2 inch Polk tri-laminate Polymer bass-midrange drivers w/rubber surrounds; Two 8 inch fluid-coupled passive subwoofers, one high-resonance, one low-resonance.

Frequency response: 18-26000 Hz
 Recommender power: 10-250 watts
 Nominal Impedance: 6 ohms
 Size: 39H X 10 1/5W X 14 1/2 D
 Weight: 58 lbs each

These speakers sound fantastic and look really great. The cabntry and speaker grilles are perfect. The speaker wire attachment points are not damaged in any way. Both speakers look and perform flawlessly! The speakers will be shipped in their original boxes with the instruction manuals. I am the original owner and have taken care of these speakers as if they were my children. These speakers will arrive to your door fresh and ready for use.

NOTE: *These speakers come from a smoke free home!*

Alaska and Hawaii residents will have to pay actual shipping charges which may be higher than the flat rate listed.

The shipping rate will be a flat rate of \$85.00. If the winning bidder is in the area, local pickup is another option.

Please ask all questions before placing bid. All items are sold used and as is.
