Polk Audio SDA SRS 1.2 Stereo/Dimensional Array Reference System. The SDA SRS 1.2 employs a unique, patented technology which offers a major breakthrough in the quality of high fidelity sound reproduction. Bought these speakers new in 1989. Always kept in a nonsmoking mastering suite. We powered them with 2 McIntosh MC2500's and they sound amazing, true stereo at its finest. All the speakes are original and have never be repaired. Cabnits and grills are in great shape. These speakers are massive: 63 inches tall, 185 lbs a piece. Buyer will be responsible for packing and shipping, or pick-up. We don't have the boxes. If you have any questions PLEASE
